## VISHAL KUMAR AGARWALLA

NATIONAL CHAIRMAN, Yi

We launched into the new year with a vibrant spirit, swiftly overcoming initial hurdles. Despite a brief pause in membership renewals due to Glue-Up platform issues, collective ingenuity of KMT & Membership team got us back on track. Chapters are exceeding renewal targets, thanks to the hard work of our teams.

Congratulations to all members for the success of Road Safety Week. The engagement at grassroots levels and impactful programs like Chota Cop & Farishtey showcase our commitment. Team Masoom's efforts and initiatives on health, substance use awareness, and mental well-being are commendable.

Looking ahead, chapters are ready for the year with optimism, specially after a successful EC-LA. Our focus on "Building Bharat" unites all verticals, and the Branding team's exceptional work deserves a special mention. Let's march forward with purpose and passion, reinforcing our commitment to Yi and nurturing responsible citizens.

## YI ROAD SAFETY WEEK

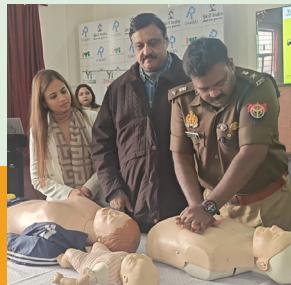

15-23 JANUARY 2024

YI Road Safety has made remarkable strides this month, with activities unfolding across 68 chapters. Our efforts have led to the successful execution of 231 events. Notably, our innovative project, Chota Cop, has reached out to 27,500 students, while our Farishtey awareness campaign on the Good Samaritan law has impacted over 14,000 YI stakeholders and the general public.

A significant milestone has been achieved in our mission to create a million accident responders nationwide, with successful initiations in Rajkot and Bhavnagar. This initiative, in collaboration with EMRI GHS, the world's largest ambulance service, aims to provide instant aid to roadside accident victims, thereby proactively reducing mishap risks.

Furthermore, we've fostered fruitful partnerships with key government bodies, including various city police departments, to drive essential road safety tips and awareness. Notably, signing MOUs with governments in Guwahati and Indore shows our commitment to making cities safer.

We extend our gratitude to chapters like Jamshedpur, Bhubaneswar, Dehradun, Ajmer, Noida, Guwahati, Hyderabad, Hubli, Kochi, Mangaluru, Erode, Madurai, Sivakasi, Bhavnagar, Rajkot, and Indore for their unwavering dedication, contributing significantly to impactful outcomes in their respective regions.
