MAY 2024

## VISHAL KUMAR AGARWALLA

NATIONAL CHAIRMAN, Yi

As we welcome the blossoming month of May, we are filled with immense gratitude for the unwavering dedication and passion towards our national vision.

Firstly, our submission of suggestions for the 100-day and 5-year plans to the Ministry of Youth Affairs showcases our commitment to ensuring the active participation of youth in shaping Bharat's future.

The training and awareness sessions on road safety, CSA, cybersecurity, and health are crucial in fulfilling our objectives. The 9-day eye camp at Kanchipuram, with 169 cataract surgeries, deserves special mention.

From learning about "Disability Etiquettes" to the launch of braille menus, we are closing the gap of accessibility at every step.

This summer, the pressing need to address Climate Change is evident, and our initiatives combined with entrepreneurship opportunities, especially for the rural population, represent a win-win.

Jamshedpur's extensive campaigns on Electoral Literacy based on the SVEEP program for voting awareness, in collaboration with local authorities, were commendable.

Let's continue to motivate, inspire, and lead each other towards Team Yi's aspirations of building bharat!

Jai Hind!
