FEBRUARY 2024

VISHAL KUMAR AGARWALLA

NATIONAL CHAIRMAN, Yi

Empowering Our Future, Today!

Greetings Yi Family,

This February, we soared, intensifying our impact and empowering the vibrant spirit of our youth—the core of our mission.

Last month, Yi Kolkata organized a transformative learning retreat in Tenkasi, led by Zoho's Mr. Sridhar Vembu, while our collaboration with government bodies during Road Safety Month achieved significant milestones. We continued our commitment to championing well-being by combating child sexual abuse and enhancing rural healthcare. Yi Jamshedpur's "Mera Mentor" initiative ensured education without barriers, while inclusive growth initiatives included sports carnivals for the physically challenged, eye screenings, and artificial limb replacements. Madurai's Velai Vaippu Vizha mega job fair illuminated career paths for thousands. These efforts epitomise our dedication to a brighter, more inclusive future.

Let's keep the momentum going. Our actions today are shaping a brighter, more inclusive tomorrow. Together, we're not just dreaming of a better Bharat, but building it.

Together, We Can We Will

Jai Hind!

MESSAGE FROM REGIONAL CHAIRS

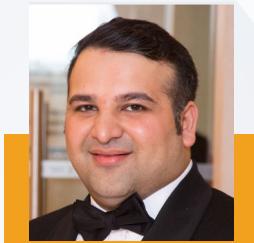

Mr Omkar Kamat Sambary
Regional Chair-West
Young Indians

The Regional Council Meet for the Western Region will be held in Mumbai on 5th April 2024. It will be a full-day event starting at 10:00 AM, having dedicated interactive sessions for the Regional Mentors and the Executive Members of all WR Chapters. EC members will get to learn and share best practices with their counterparts at the MarketPlace. We have also planned curated excursions for registering delegates (which are optional & on a chargeable basis) and keeping that in mind we are planning to have the WRCM2024 in South Mumbai at Taj President. We would be taking the delegates for historical walks, ro-ro rides, etc. The enthusiasm in the region is high and we are expecting a record-breaking turnout at Mumbai.

Pavitra H Arora
Regional Chair-North
Young Indians

The upcoming North Regional Council Meeting is scheduled for 5th April 2024 at Jaipur. We eagerly await the Executive committee members and chairs and Co chairs of Northern region to actively participate as the insights are invaluable to our collective vision and mission to Building Bharat. There are tremendous efforts made by the host chapters led by the Regional Chairs and Chapter Leadership to ensure maximum engagement in different regions, learning and bonding during the RCM. I would once again like to emphasize that the RCM is an important and unique meeting with an agenda to review progress of region, national initiatives and updates, a platform to share best practices and regional networking among EC members. It's a best time to interact and network with fellow leaders from different cities in the region as well.

MESSAGE FROM REGIONAL CHAIRS

Vishal Mehta
Regional Chair-SRTN
Young Indians

The upcoming SRTN RCM at IIM Trichy, scheduled for April 5, 2023, carries the theme "EC – Enablers of Change" towards Building Bharat. This strategic evolution of thought process aims to empower executive members to Transform as Enablers of Change, emphasizing the importance of driving projects and initiatives through our Stakeholders - MYTRI. This indeed would facilitate achieving our core objective of developing responsible futurist Youth Leaders across the cities and our nation at large.

For example, One of our flagship projects - Road Safety Chota Cop Project, where an 8-year-old learns traffic rules, become catalysts for positive change a decade later. Chapter Leaders attending RCM along with their EC members, will help EC members understand the importance of their role and shape them as Enablers of change towards building Youth Leadership for Building Bharat.

Divya Taneja Koh
Regional Chair-ER
Young Indians

RCM is the best place for us to bond and get to know our peers. I invite each of you to be there and not miss the opportunity. This year, keeping in mind our big picture of Building Bharat, we have the theme of STEP UP- Step Up for Infinite Possibilities, Step Up for Nation Building and Step Up for the Change. It would be action packed with inter chapter competitions and recognitions.

Our Vice-chair, Arun would be joining us for a discussion on how to uplift our respective chapters to the next level. The entire team at Yi Bhubaneswar, along with Sonal (Chair), Aayush (Co-ChiAR), and Vishal (IPC) are tirelessly working to make your stay there enjoyable. Do join us and be a part of the fun.
